

Themes For Your Photo Memory Book

You may choose one of six beautiful themes for your 8 1/2" x 11" Photo Memory Book - *Photo Only (white background)*, *Vacation*, *Wedding*, *Family*, *Baby Boy* or *Baby Girl*. Each theme consists of a specially designed cover (for Standard book) or title page (for Deluxe book) as well as four different specially-designed two-page spreads that are repeated throughout your book. Below we show you the covers for the Standard Photo Books and the Title page for the Deluxe Photo Books (the photo shows through the Deluxe die cut cover), and the four spreads for each theme.
